

CLUB DE RECREIO

NOTICE

Mahjong Reservation

Dear Members,

To enhance your gaming experience and streamline our operations, we have decided to consolidate all Mahjong sessions into Function Room A with immediate effect.

We apologize for any inconvenience caused by this adjustment, but we believe that this decision will enhance your Mahjong experience and ensure a more seamless and enjoyable gaming session for all players.

Thank you for your understanding and support as we strive to continually improve our services and facilities.

Patrick Wong
