WELCOME OUR NEW HEAD CHEF: “YAU”

We are excited to introduce our new Head Chef, Yau!

Before joining our club, Chef Yau honed his skills at the prestigious Hong Kong University Alumni Association, where he served as a beloved chef and helped create the warm, nostalgic flavours that made the restaurant such a favourite among alumni and food lovers alike.

Under Chef Yau’s leadership, we are looking forward to innovating our menu and enhancing your dining experience. We invite you to join us in welcoming him to our community!

CELEBRATING A CENTURY

We are honoured to celebrate a remarkable milestone for one of our club's longest-standing members, Mr. Luk Hee, "Uncle Luk" who recently turned 100 years old! This special occasion took place right here at our club, surrounded by friends, family, and fellow members.

Mr. Luk has been a cherished part of our community for decades, sharing his wisdom, humour, and passion for sports with all of us. His dedication and spirit have inspired many, making him a beloved figure within our club.

The celebration was filled with heartfelt speeches, laughter, and, of course, a beautiful cake to commemorate this incredible achievement. We are grateful to have Mr. Luk as part of our club family and look forward to many more years of his presence.

Happy 100th Birthday, Uncle Luk! Here's to you and your inspiring journey!

NEW HANDRAIL INSTALLED

As part of our ongoing commitment to member safety and accessibility, a new handrail has been installed along the pathway leading to the lower carpark field.

This improvement aims to provide better support and stability for members as they navigate to/from the lower carpark, particularly on the sloped section.

Feedback from members played a key role in identifying the need for this enhancement, and we are pleased to have completed the installation promptly.

We hope this small but meaningful upgrade contributes to a safer and more convenient experience for all.

IMPORTANT REMINDER

A repeated notice emphasizing the proper disposal of waste within our club's toilet facilities.

It has come to our attention — and been reiterated in previous communications — that items such as sanitary products, wet wipes, tissues, and other non-biodegradable materials continue to be flushed down toilets. This has resulted in frequent and costly blockages in the plumbing system.

We kindly ask all members and guests to dispose of all waste appropriately in the bins provided inside the restroom cubicle and to use the toilets only for their intended purpose.

Your full cooperation is essential in helping us maintain clean, functional, and well-maintained facilities for everyone's comfort.

We appreciate your understanding and cooperation as we strive to provide a smooth and enjoyable experience for everyone.

A friendly reminder to all members that “Guest fees” are applicable whenever a guest uses the club’s sports facilities , regardless of the duration of use.

Whether it's for a short visit, a full game, or access to the courts, all guests must be registered by the member at Management Office and the appropriate guest fee must be charged.

This policy ensures fair usage of our facilities and helps maintain the high standard of service for all members.
