TENNIS NOTICE

Dear Members,

We are pleased to announce that with immediate effect we will increase the guest limit for the tennis court on **Saturdays, Sundays and Public Holidays after 7:00 pm to maximum of two guests per court**. This adjustment is aimed at providing more flexibility for our members to enjoy the court with their guests and in response to feedback from concerned members.

We kindly request all members to adhere to the revised guest limit and coordinate their visits accordingly. By respecting this policy, we can maintain a harmonious environment that allows everyone to fully embrace the benefits of our tennis court facilities.

Secondly, the ongoing renovation of Tennis Court 4 will be extended until the end of May. This extension is essential to ensure the completion of all planned enhancements and repairs to the highest standards.

Thank you for your understanding and continued support.
