

CLUB DE RECREIO

IMPORTANT NOTICE

URGENT ELECTRICAL REPAIRS AND TEMPORARY FACILITY DISRUPTION

Date: 6th July 2026

Dear Members,

We are writing to let you know about an unexpected electrical issue at the club. A sudden malfunction in the main electricity switch has directly caused the floodlights at Tennis Courts 1 to 5 to fail.

Our engineering team is on the case, but to ensure the system is fixed safely and correctly, we need to carry out urgent repairs over the next few days. We want to give you a clear heads-up on how this will affect the facilities:

Phase 1: Tennis Court Floodlights

Affected Area: Tennis Courts 1 to 5 (Floodlights only).

Dates & Times: **July 6 to July 8, during nighttime hours.**

Impact: Because the main switch issue caused the floodlights to malfunction, night play will not be available on these courts during this time. The courts will, however, remain fully open and available for play during the day.

Phase 2: Clubhouse Main Building

Affected Areas: The Clubhouse Main Building, including the Restaurant, Bar, Function Rooms, Men's and Ladies' Toilets and Changing Rooms, and the Club Office.

Date & Time: **July 9, from 09:00 to 13:00.**

Impact: To fully repair the main switch, the air conditioning system will need to be powered down, meaning there will be no air-conditioning in the clubhouse during this window.

Additionally, due to the nature of the repairs being done on the main switch, there may be a complete interruption to the electricity supply in these areas while the work is being carried out.

We understand that not allowing to play in the tennis court during night time and visiting a clubhouse without air-conditioning is far from ideal, and we sincerely apologize for the inconvenience. If a full power interruption does occur on the morning of July 9, the restaurant and bar may need to temporarily pause certain services.

Our team is working as quickly as possible to complete these repairs and restore full power and comfort to the club.

If you need to reschedule any tennis bookings affected by the lighting outage, or if you have any questions, please reach out to the Club Office at 2388 8194 or recreio@clubderecreio.org .

Thank you so much for your patience, understanding, and cooperation while we get this sorted out.

Yours sincerely,

Club Management Office
