HOUSE KEEPING REMINDER

We wish to bring to your attention a housekeeping policy that requires your immediate consideration and adherence.

It has come to our notice that improper disposal of items, including rubbish and non-biodegradable materials, in the toilet facilities has led to blockages within the flushing system. Such actions not only compromise the sanitation and functionality of our facilities but also result in significant repair costs that ultimately burden the club's resources.

Please ensure that all waste is disposed of in the appropriate receptacles provided throughout the club.

We appreciate your cooperation to preserving a clean and functional environment.

PICKLEBALL CONVENOR

Mr. Jimmy Wong will assume responsibility for the Pickleball section until further notice, this together with his ongoing responsibility for the Tennis Section.
